Summary

Second-year Information Science and Engineering student seeking a challenging internship to apply theoretical knowledge, hands-on skills, and contribute to a dynamic team's success.

Education

A J Institute of Engineering and Technology, Mangalore
B.E in **Information Science & Engineering** | C.G.P.A: **9.01** | 2022 - Present

St. Aloysius PU College, Mangalore | **PCMB** | Percentile: **87%** | 2020 - 2022

Technical Skills

- **Frontend**: HTML, CSS, JavaScript
- **Programming Language**: C, C++, Python
- **Tools:** VS Code, GitHub/Git, PyCharm, Jupyter
- **Operating Systems:** Windows

Projects

[Link] Spotify Clone

- **Tech Stack:** HTML, CSS, JavaScript, GitHub/Git
- Created a fully functional Spotify clone using HTML, CSS, and JavaScript, replicating the user interface and key features of the popular music streaming platform.
- Implemented version control using Git to manage project source code efficiently.
- Deployed the application on Vercel, showcasing proficiency in deploying and hosting web applications in a real-world environment.

[Link] Rock Paper Scissors Game

- **Tech Stack:** HTML, CSS, JavaScript, GitHub/Git
- Developed a dynamic Rock Paper Scissors game using HTML, CSS, and JavaScript. Designed a visually appealing user interface with clickable buttons for player moves with updating scores.
- Implemented intuitive controls through clickable buttons for rock, paper, and scissors moves.
- Managed project version control with Git and successfully deployed the game on Vercel, highlighting the ability to seamlessly host web applications.

[Link] YouTube Clone

- **Tech Stack:** HTML, CSS, JavaScript, GitHub/Git
- Developed a simplified YouTube clone using HTML, CSS, and potentially JavaScript.
- Organized project structure with dedicated folders for channel pictures, icons, styles, and thumbnails, showcasing effective file management skills.
- Managed project version control with Git and successfully deployed the YouTube clone project on Vercel, showcasing the ability to host web applications seamlessly.

Volunteering & Achievements

- **CODEBLAZE - 2023:** Selected as a Top 10 finalist for building an anonymous chat using front-end technologies held at **Sahyadri College of Engineering & Management,** Mangalore
- **Participated** in the **Hackathon** held at **Sahyadri College of Engineering & Management,** Mangalore | 2023
- **Workshop** on **Virtual Labs at NITK,** Surathkal | 2022
